MEETINGS@EVENTS

A SPACE LOCATED IN THE HEART OF THE CAMP
NOU. IDEAL FOR LARGE-SCALE EVENTS

EXCLUSIVE ENTRANCE FOR YOUR GUESTS

Entrance to the Stadium worthy of the grandest occasions. A red carpet reception and registration of arrivals at the same point of entry.

Reception area located on the main Grandstand facade, with easy access for large-scale vehicles and the possibility for guests to be dropped right next to the entrance itself.

Wide range of customisable elements to decorate and personalise the reception area.

AN INCOMPARABLE VENUE FOR YOUR EVENTS

Large-capacity venue for hosting events for up to 1,000 guests. Located by the main Stadium entrance and connected to the inside of the Camp Nou via four gates. Also includes direct access to the FCB Museum.

Events held in this venue can be personalised to achieve a spectacularly high level of sophistication, including montages on the outer staircase, the Main Grandstand or the field of play.

Ideal venue for cocktail type receptions, gala dinners, presentations or shows by combining the indoor space with the Stadium terraces.

Right next to the Club Museum.

COCKTAIL RECEPTION

**Capacity for cocktail receptions: 1,100 people
(Presidential Zone not included).**

Extension of capacity for cocktail receptions by contracting predesigned bars that are assembled on the Stadium terraces.

Décor featuring neutral coloured panels and screens with the option of personalisation with corporate images.

The Club's Meetings & Events Department offers different lighting, sound and image packages that are designed and adapted to the characteristics of the Grandstand Hall.

BANQUET

Capacity in gala banquet format for 800 people (Presidential Zone not included).

Possibility of combining with the FCB Museum for a welcome drink, or combination with the Stadium terraces to host a show, stage a prize-giving ceremony or simply give welcome/closing speeches.

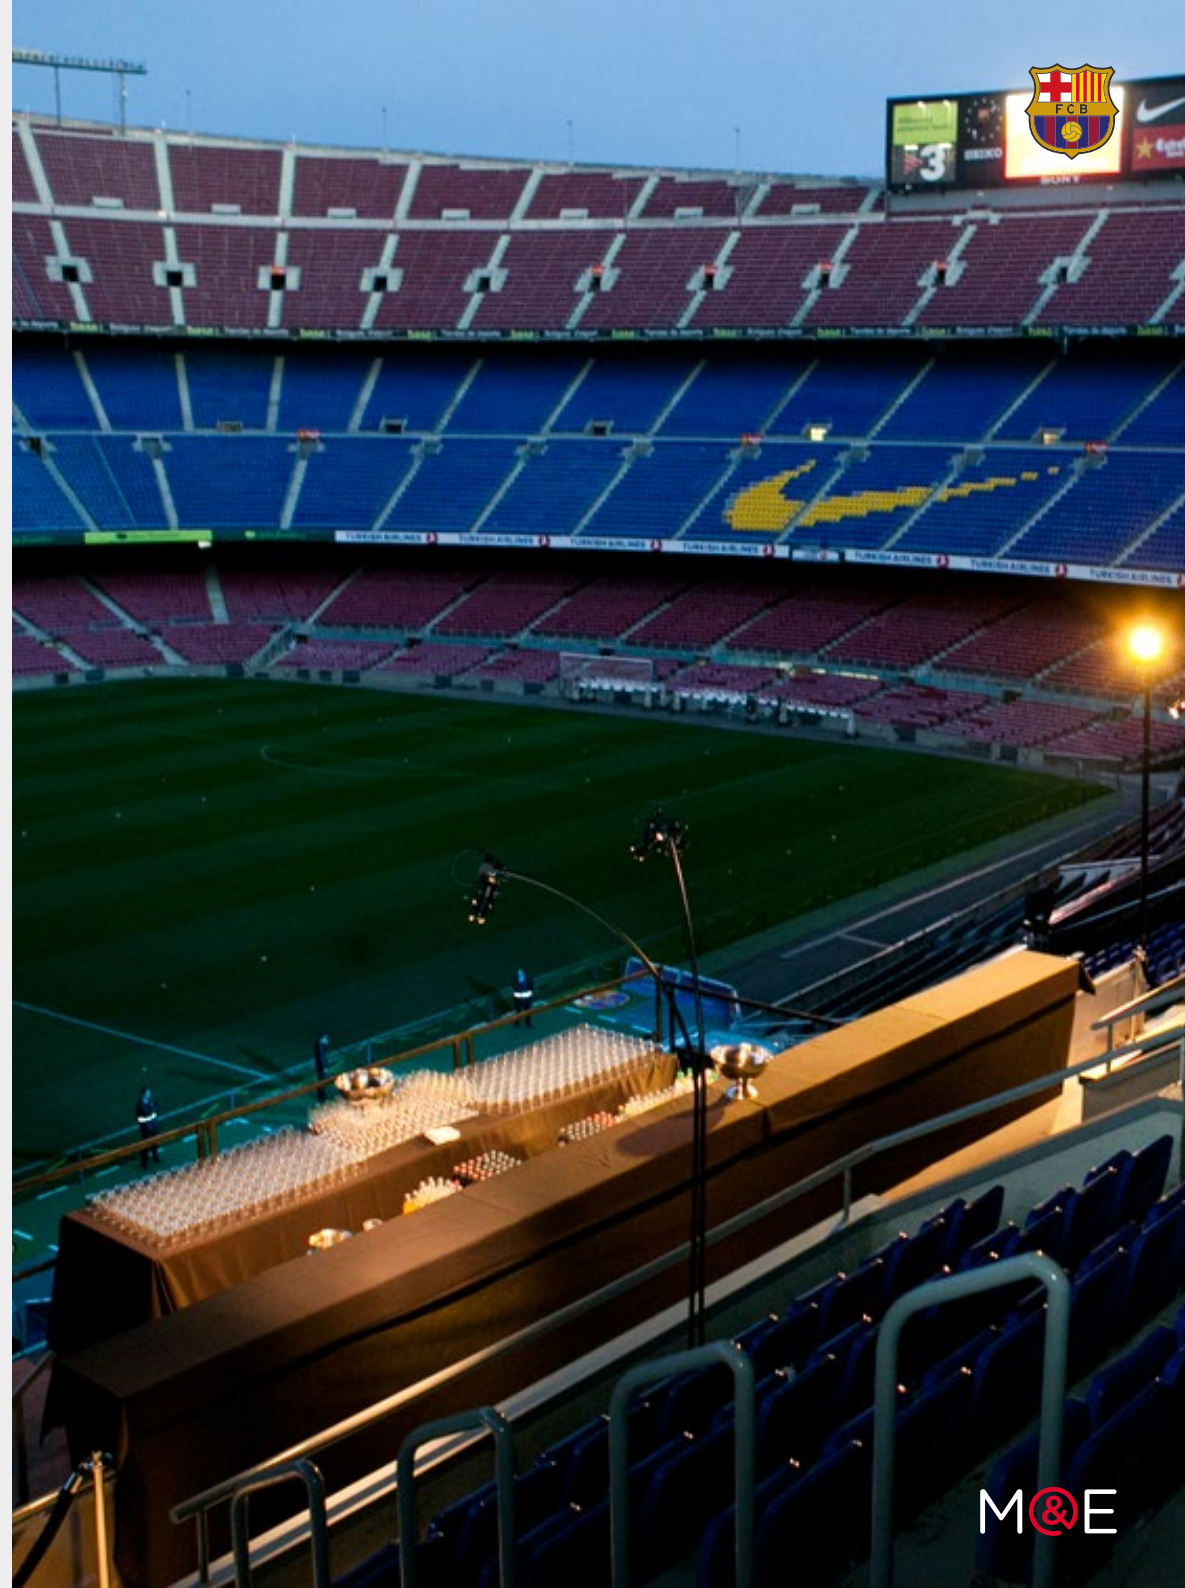

MAIN GRANDSTAND

The Grandstand Hall connects directly and totally with the Stadium Grandstand terraces via four different gates. This section is completely covered and protected from the weather.

Direct view of the Stadium and possibility of contracting predefined structures that can be assembled on the terraces in bar format in order to extend the indoor space and serve drinks inside the Stadium itself.

Ask about the different customisation and lighting options and packages for decorating the Stadium, as well as other additional audiovisual services.

CORPORATE PRESENTATIONS AND SHOWS

Ideal venue for holding medium and large format conventions and presentations.

Your guests will be able to attend welcome speeches and presentations in the Stadium's outer Grandstand, which can be combined with the indoor Hall area for serving dinner afterwards.

Wide range of options available for holding presentations, lectures, shows and all kinds of entertainment.

SHOWROOMS, EXPOSITIONS AND WORKSHOPS

Such a large venue, and one that is so easy to access and so simple to assemble, along with the way it can be integrated with the terraces or connected to several other spaces, means that the Grandstand Hall is ideal for all kinds of expositions and workshops.

The suppliers that work with FC Barcelona can offer all kinds of combinations of assemblies to optimise and adapt the space to your needs.
